Burnable garbage...twice a week

● Kitchen garbage

- ※Sufficiently drain excess water.
- ※For leftover oil, absorb with paper towels or solidify.

●Cushions • Fiber products

●Others

- ※ Disposable diapers, wastepaper, leaves, wood (less than 5cm in diameter), etc.
- ※ Please cut branches so they are no longer than 40cm.

Put burnable garbage in Miki Town
garbage bags.

● Plastic

✂ trays • toys • plastic wrap • shampoo or food seasoning containers (plastic bottles • plastic tubes) • video tapes • CDs • styrofoam • labels and lids from PET (plastic) bottles

● **Rubber** • **Leather products**
